

# THE FIGHTER

Character

## Name

## Background

**A rough'n'tough croc-punching bruiser.**

Growing up in the swamp was never easy. You've been wrestling gators and fist-fighting with snakes since you were a baby. You learned quickly that the only real way to gain respect from the other mire-dwellers was by a show of might. You've spent years training, fighting, and brawling to become the best - and, from the evidence of your bulging muscles, it's clear that you've earned that title.

Once you became the gator-wrestling champ in your local region, you thirsted for more. Cracking crocs just wasn't giving you the satisfaction it used to - you needed bigger fish to beat the crap out of. So, when an adventuring party strolled through your corner of the marsh, you offered your services as a brute and signed up for a life on the road, helping those in need of a big strong toughie who uses their fists to save the day!
