
The Fighter

Name

Background

A rough'n'tough croc-punching bruiser.

Growing up in the swamp was never easy. You've been wrestling gators and fist-fighting with snakes since you were a baby. You learned quickly that the only real way to gain respect from the other mire-dwellers was by a show of might. You've spent years training, fighting, and brawling to become the best, and, from the evidence of your bulging muscles, it's clear that you've earned that title.

Once you became the gator-wrestling champ in your local region, you thirsted for more. Cracking crocs just wasn't giving you the satisfaction it used to: you needed bigger fish to beat the crap out of. So, when an adventuring party strolled through your corner of the marsh, you offered your services as a brute and signed up for a life on the road, helping those in need of a big strong toughie who uses their fists to save the day!
