
The Trickster

Name

Background

A talented con artist with a quick wit.

A life in the circus has taught you all sorts of marvellous skills, and once you were old enough to decide what your talent was to be, you chose card tricks. You'd run all sorts of clever cons at your table, flipping and shuffling the cards so fast that your hands were a blur, the words from your mouth running a mile a minute. Nobody could keep up with your fabulous con! That is, until you took a wealthy local landowner a little too far for his money and he caused an almighty stink about it.

The circus had no choice but to leave you behind when they left town, and for your own protection from the landowner's goons, you joined up with a band of adventurers who were travelling the other way. Since then, you've come to love being on the road, and your fabulous gift of the gab has got you and your party out of some seriously sticky situations!
